ECPW EMPIRE STATE BACK IN ACTION

Cortland, NY – The first show of the year for ECPW Empire State will be held on February 20th in Cortland, NY at the JM McDonald Sports Complex. The main event of the show will be **Anarchy** taking on the ECPW Empire State Champion **IB Green** in a championship match. IB Green nearly ended Anarchy's wrestling career after throwing him off the stage in Binghamton NY on December 4th during the extremely violent Warzone match. This match is about a personal issue and with the championship on the line, this one promises to get ugly FAST; Anarchy is out for revenge and will not stop until he takes IB Green out for good.

Kage, who has vowed to take out every member of **The Enterprise** until he gets his shot at IB Green's ECPW Empire State title, will take on the 6'10 Peacemaker in a match where the use of nightsticks are legal and encouraged. Kage feels he was screwed out of the ECPW Empire State title by IB Green & Company the last time ECPW was in Cortland on December 5th.

Green, who was in charge of the show after his team won the WARZONE match Binghamton, stacked the deck, essentially making the match a 4-1 handicap match with a crooked referee in **Mike Trash** making the fast three count. December 5th was a day where IB Green was able to put one over on ECPW Empire State management, stealing the title, and swinging the balance of power in the favor of the Enterprise. Kage will begin his quest to regain the gold on February 20, 2009 with an uphill battle in a match that has very dangerous rules. IB Green has made it clear to his personal security guard, the Peacemaker, that Kage is not to leave Cortland in one piece, let alone ready enough to challenge for the ECPW Empire State title. What will happen in Cortland, on February 20th when the irresistible force means the immovable object in a match that has both personal and championship implication?

After months of inconsistent behavior, **Ryan P. Dimmick**, has been relieved of his duties as ECPW Empire State Commissioner. Dimmick, who has not been seen his last appearance on July 18th, is rumored to be moving out of state and away from the business for the time being. We would like to thank Mr. Dimmick for his faithful service to ECPW and we wish him the best of luck in his future endeavors. On February 20th in Cortland NY, at the JM McDonald Sports Complex, Gino Caruso will appoint the **new ECPW Empire State Commissioner**. Who it could be is anyone's guess, but knowing Gino, this announcement will rock the foundations of ECPW to its core as we kick off 2010!!!

Cortland's own **Rainbow Warrior**, the Exceptional **Glen Post**, and the Perfect Weapon **Shawn Armstrong** will make their debut on February 20th in Cortland NY in a six man tag team match that will feature the **Japanese Assassin, Robert "the Spike" Norton, the Super Destroyer**, and **Big Country**. This will be a great way for the fans in Cortland to see some of their own compete in an East Coast Pro Wrestling ring.

After their epic Iron Man match in Cortland on December 5, 2009, that went to a 1-1 draw, ECPW Empire State officials have decided to place ECPW Empire State Daredevil Champion **Nick Napoleon** and **CK Kross** in a **best of 5 series** to determine the undisputed ECPW Daredevil Champion. Kross contends that if the match had just went 30 seconds longer that he would have walked out the champion and that this best of 5 series is just a mere formality in his quest to be the ECPW Daredevil Champion. When asked for comment, Nick Napoleon simply said, "I'll do my talking in the ring." This series will be fought under Daredevil rules, which means that each match will have a unique stipulation. The first match in this series will take place at the JM McDonald Sports Complex in Cortland NY on February 20, 2009 and will be fought under Submission rules. Stipulations for the other matches in the series will be announced in the coming weeks but as a special treat for the fans we can reveal if the series goes the full five matches the final match will be a LADDER MATCH. Will the series go all 5 matches? Only time will tell—but a ladder match between the two would be a sure fire match of the year candidate.

Doors open at 7pm with a 7:30pm bell time.
