JMM Announces Bands for MusicFest at the MAC

Cortland, NY – MusicFest at the MAC is proud to announce the line up of bands for this entertainment event on September 25, 2010 held in the indoor turf venue of the JM McDonald Sports Complex.

Ten Man Push will be headlining the event with a special acoustical set starting at 6 pm. In addition, 13 local bands from all around CNY and Pennsylvania will be featured at this full day of music held from Noon until 11 pm.

“Thanks to the generous sponsorship support of Suit-Kote, we were able to incorporate one of the hottest bands to come out of Cortland – Ten Man Push,” states Tamara Demeree Sciera, Executive Director of JM McDonald. “Suit-Kote has been one of our most consistent sponsors of our mission as we work diligently to provide our entire community with affordable, family oriented recreation and special events. We are extremely pleased to have them involved”

Ten Man Push is just coming off their third nation-wide tour as the official band of motocross racing to appear at the MusicFest at the MAC. Thousands of fans across the country have experienced the ultimate sound of this national act. “Incorporating TMP into our line up of bands adds a new dimension to this music event,” states Sciera. “The addition of TMP is a win for everyone involved. Aside from concert goers getting a fantastic show, the remaining 13 bands involved will have the experience of being on the same ticket as a national act which will boost their careers and exposure to more concert goers. The youth of our community will benefit as a result of the increased number of tickets as a result of this exciting lineup,” states Sciera.

MusicFest at the MAC is a fundraising event for the JM McDonald Sports Complex youth programs. Tickets are only \$10 per person for an all day ticket. Food and adult beverages will be available to purchase at the event (no coolers are allowed and identification is required at the door). Participants are encouraged to bring a blanket or lawn chair and spend the day enjoying our full line up of bands.
